Thank you LaShaun and Patrick. But to clarify, it is at 11am and not 12.

Josh,
I will try to join your team. If i'm not there on time, please have your IT ask the security guard to contact the POC per LaShaun's email below.

Thanks,

Josh,

I would like to bring the CSRA team over to 999 and would like your assistance in "taping out" the data closets and determining where the circuit entries will be placed. Can we get access to the building next week?
